

Medical Bill Review & Negotiation

Save money on your medical bills with copatient

Copatient is an easy-to-use service that protects you against medical billing errors and overcharges.

We'll analyze your bills for free, identify savings opportunities and negotiate with hospitals and providers on your behalf to save you time, money and hassle.

We can help:

Emergency room services

Estate medical bills

Surgeries, in or out patient

Births, or infant care services

Unexplained "surprise" health-care charges

Hospital stay

Non Covered Services

Medical testing

Out of Network Services

Anything else related to healthcare

"Copatient is a true patient advocate working for the little guy. They have experienced people working there who take on the risk of negotiating with insurance companies and hospitals."

-Roger F., saved \$2,700

80%
