## COORDINATION OF BENEFITS

### IMPORTANT NOTICE

**This is a summary of only a few of the provisions of your health plan to help you understand coordination of benefits, which can be very complicated. This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language contained in your insurance contract, which determines your benefits.**

#### Double Coverage

It is common for family members to be covered by more than one health care plan. This happens, for example, when both spouses work and choose to have family coverage through both employers.

When you are covered by more than one health plan, state law permits your insurers to follow a procedure called "coordination of benefits" to determine how much each should pay when you have a claim. The goal is to make sure that the combined payments of all plans do not add up to more than your covered health care expenses.

Coordination of benefits (COB) is complicated, and covers a wide variety of circumstances. This is only an outline of some of the most common ones. If your situation is not described, read your evidence of coverage or contact your state insurance department.

#### Primary or Secondary?

You will be asked to identify all the plans that cover members of your family. We need this information to determine whether we are the "primary" or "secondary" benefit payer. The primary plan always pays first when you have a claim.

Any plan that does not contain your state's COB rules will always be primary.

#### When This Plan is Primary

If you or a family member are covered under another plan in addition to this one, we will be primary when:

##### Your Own Expenses

The claim is for your own health care expenses, unless you are covered by Medicare and both you and your spouse are retired.

##### Your Spouse's Expenses

The claim is for your spouse, who is covered by Medicare, and you are not both retired.

##### Your Child's Expenses

The claim is for the health care expenses of your child who is covered by this plan; and

You are married and your birthday is earlier in the year than your spouse's or you are living with another individual, regardless of whether or not you have ever been married to that individual, and your birthday is earlier than that other individual's birthday. This is known as the "birthday rule"; or

You are separated or divorced and you have informed us of a court decree that makes you responsible for the child's health care expenses; or

There is no court decree, but you have custody of the child.

### **Other Situations**

We will be primary when any other provisions of state or federal law require us to be.

#### **How We Pay Claims When We Are Primary**

When we are the primary plan, we will pay the benefits in accordance with the terms of your contract, just as if you had no other health care coverage under any other plan.

#### **When This Plan is Secondary**

We will be secondary whenever the rules do not require us to be primary.

#### **How We Pay Claims When We Are Secondary**

When we are the secondary plan, we do not pay until after the primary plan has paid its benefits. We will then pay part or all of the allowable expenses left unpaid, as explained below. An "allowable expense" is a health care expense covered by one of the plans, including copayments, coinsurance and deductibles.

If there is a difference between the amount the plans allow, we will base our payment on the higher amount. Health maintenance organizations (HMOs) and preferred provider organizations (PPOs) usually have contracts with their providers.

We will determine our payment by subtracting the amount the primary plan paid from the amount we would have paid if we had been primary. We may reduce our payment by any amount so that, when combined with the amount paid by the primary plan, the total benefits paid do not exceed the total allowable expense for your claim. We will credit any amount we would have paid in the absence of your other health care coverage toward our own plan deductible.

If the primary plan covers similar kinds of health care expenses, but allows expenses that we do not cover, we may pay for those expenses.

We will not pay an amount the primary plan did not cover because you did not follow its rules and procedures. For example, if your plan has reduced its benefit because you did not obtain pre-certification, as required by that plan, we will not pay the amount of the reduction, because it is not an allowable expense.

Dependents that are ineligible under the Policyholder's separate medical plans will be ineligible under this Policy as well.

## **CONDITIONS FOR INSURANCE COVERAGE**

### *ELIGIBILITY*

**ELIGIBLE CLASS FOR MEMBERS.** The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any employee electing the \$2000 max plan working at least 20 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

If both spouses are Members and if either of them insures their dependent children, then the spouse, whoever elects, will be considered the dependent of the other. As a dependent, the person will not be considered a Member of the Eligible Class, but will be eligible for insurance as a dependent.

**ELIGIBLE CLASS FOR DEPENDENT INSURANCE.** Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the latest of:

1. the day he or she qualifies for coverage as a Member;
2. the day he or she first becomes a Member; or
3. the day he or she first has a dependent.

**COVERAGE FOR NEWBORN AND ADOPTED CHILDREN.** A newborn child who is an eligible dependent will be covered from the date of birth.

An adopted child, foster child and other child in court-ordered custody will be covered from the date of placement in the Insured's residence. A newborn adopted child will be covered from the date of birth if the Insured has agreed in writing to adopt the child prior to its ultimately placed in the Insured's residence.

Coverage for a newborn child shall consist of coverage for covered expenses, subject to applicable deductibles, coinsurance percentages, maximums and limitations, resulting from care or treatment of congenital defects, birth abnormalities and premature birth.

Written notice should be provided within 60 days of the date of birth or placement of a dependent child to start coverage. We will charge the applicable additional premium from the date of birth or placement for an adopted child. We will not deny coverage for a child due to the failure of the Insured to notify us.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any employee electing the \$2000 max plan working at least 20 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Any spouse who elects to be a dependent rather than a member of the Eligible Class for Personal Insurance, as explained above, is not a member of the Eligible Class for Dependent Insurance.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage.

If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

**CONTRIBUTION REQUIREMENTS.** Member Insurance: An Insured is required to contribute to the payment of his or her insurance premiums.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

**SECTION 125.** This policy is provided as part of the Employer's Section 125 Plan. Each Member has the option under the Section 125 Plan of participating or not participating in this policy.

If a Member does not elect to participate when initially eligible, the Member may elect to participate at a subsequent Election Period. This Election Period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on June 1.

Members may change their election option only during an Election Period, except for a change in family status. Such events would be marriage, divorce, birth of a child, death of a spouse or child, or termination of employment of a spouse.

**ELIGIBILITY PERIOD.** For Members on the Plan Effective Date of the policy, coverage is effective immediately.

For persons who become Members after the Plan Effective Date of the policy, qualification will occur after an eligibility period defined by the Policyholder is satisfied. The same eligibility period will be applied to all members.

**OPEN ENROLLMENT.** If a Member does not elect to participate when initially eligible, the Member may elect to participate at the Policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on June 1.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

**ELIMINATION PERIOD.** Certain covered expenses may be subject to an elimination period, please refer to the TABLE OF DENTAL PROCEDURES, DENTAL EXPENSE BENEFITS, and if applicable, the ORTHODONTIC EXPENSE BENEFITS pages for details.

**EFFECTIVE DATE.** Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.
2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.
3. the date we accept the Member and/or Dependent for insurance when the Member and/or Dependent is a Late Entrant. The Member and/or Dependent will be subject to any limitation concerning Late Entrants.

**EXCEPTIONS.** If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

### ***TERMINATION DATES***

**INSUREDS.** The insurance for any Insured, will automatically terminate on the **earliest of:**

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

**DEPENDENTS.** The insurance for all of an Insured's dependents will automatically terminate on the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the date on which the dependent no longer meets the definition of a dependent. See "Definitions."

**CONTINUATION OF COVERAGE.** If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

### Labor Dispute

Any employee whose compensation includes group disability or blanket disability insurance providing health care services, the premiums for which are paid in full or in part by an employer including the state of Washington, its political subdivisions, or municipal corporations, or paid by payroll deduction, may pay the premiums as they become due directly to the policyholder whenever the employee's compensation is suspended or terminated directly or indirectly as the result of a strike, lockout, or other labor dispute, for a period not exceeding six months and at the rate and coverages as the policy provides. During that period of time the policy may not be altered or changed. Nothing in this section shall be deemed to impair the right of the insurer to make normal decreases or increases of the premium rate upon expiration and renewal of the policy, in accordance with the provisions of the policy. Thereafter, if such insurance coverage is no longer available, then the employee shall be given the opportunity to purchase an individual policy at a rate consistent with rates filed by the insurer with the commissioner. When the employee's compensation is so suspended or terminated, the employee shall be notified immediately by the policyholder in writing, by mail addressed to the address last on record with the policyholder, that the employee may pay the premiums to the policyholder as they become due as provided in this section.

Payment of the premiums must be made when due or the insurance coverage may be terminated by the insurer.

## DENTAL EXPENSE BENEFITS

We will determine dental expense benefits according to the terms of the group policy for dental expenses incurred by an Insured. An Insured person has the freedom of choice to receive treatment from any Provider.

**PARTICIPATING AND NON-PARTICIPATING PROVIDERS.** The Insured person may select a Participating Provider or a Non-Participating Provider. A Participating Provider agrees to provide services at a discounted fee to our Insureds. A Non-Participating Provider is any other Provider.

**DETERMINING BENEFITS.** The benefits payable will be determined by totaling all of the Covered Expenses submitted into each benefit type as shown in the Table of Dental Procedures. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage(s) shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount, if any, shown in the Schedule of Benefits.

**BENEFIT PERIOD.** Benefit Period refers to the period shown in the Table of Dental Procedures.

**DEDUCTIBLE.** The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

**MAXIMUM AMOUNT.** The Maximum Amount shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured.

**COVERED EXPENSES.** Covered Expenses include:

1. only those expenses for dental procedures performed by a Provider; and
2. only those expenses for dental procedures listed and outlined on the Table of Dental Procedures.

Covered Expenses are subject to "Limitations." See Limitations and Table of Dental Procedures.

Benefits payable for Covered Expenses also will be limited to the lesser of:

1. the actual charge of the Provider.
2. the usual and customary ("U&C") as determined by us, if services are provided by a Non Participating Provider.
3. the Maximum Allowable Charge ("MAC") as determined by us.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by your provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

MAC - The Maximum Allowable Charge is derived from the array of provider charges within a particular ZIP code area. These allowances are the charges accepted by dentists who are Participating Providers. The MAC is reviewed and updated periodically to reflect increasing provider fees within the ZIP code area.

**COVERAGE FOR GENERAL ANESTHESIA.** Notwithstanding the limitations relating to covered expenses for anesthesia (Procedure codes 9220 - 9242) as shown on the Table of Dental Procedures, medically necessary general anesthesia will be considered a covered expense if administered for dental procedures in a Provider's

office if the general anesthesia services are medically necessary because the covered person is under the age of seven or physically or developmentally disabled.

All other terms and conditions of the policy will apply to these services.

**ALTERNATIVE PROCEDURES.** If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. Instead, this provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. Accordingly, you may choose to apply the alternate benefit amount determined under this provision toward payment of the submitted treatment.

We may request pre-operative dental radiographic images, periodontal charting and/or additional diagnostic data to determine the plan allowance for the procedures submitted. We strongly encourage pre-treatment estimates so you understand your benefits before any treatment begins. Ask your provider to submit a claim form for this purpose.

**EXPENSES INCURRED.** An expense is incurred at the time the impression is made for an appliance or change to an appliance. An expense is incurred at the time the tooth or teeth are prepared for a dental prosthesis or prosthetic crown. For root canal therapy, an expense is incurred at the time the pulp chamber is opened. All other expenses are incurred at the time the service is rendered or a supply furnished.

**LIMITATIONS.** Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application.
2. for initial placement of any dental prosthesis or prosthetic crown unless such placement is needed because of the extraction of one or more teeth while the insured person is covered under this contract. But the extraction of a third molar (wisdom tooth) will not qualify under the above. Any such dental prosthesis or prosthetic crown must include the replacement of the extracted tooth or teeth.
3. for appliances, restorations, or procedures to:
  - a. alter vertical dimension;
  - b. restore or maintain occlusion; or
  - c. splint or replace tooth structure lost as a result of abrasion or attrition.
4. for any procedure begun after the insured person's insurance under this contract terminates; or for any prosthetic dental appliances installed or delivered more than 90 days after the Insured's insurance under this contract terminates.
5. to replace lost or stolen appliances.
6. for any treatment which is for cosmetic purposes.
7. for any procedure not shown in the Table of Dental Procedures. (There may be additional frequencies and limitations that apply, please see the Table of Dental Procedures for details.)
8. for orthodontic treatment under this benefit provision. (If orthodontic expense benefits have been included in this policy, please refer to the Schedule of Benefits and Orthodontic Expense Benefits).
9. for which the Insured person is entitled to benefits under any workmen's compensation or similar law,

or charges for services or supplies received as a result of any dental condition caused or contributed to by an injury or sickness arising out of or in the course of any employment for wage or profit.

10. for charges which the Insured person is not liable or which would not have been made had no insurance been in force.
11. for services that are not required for necessary care and treatment or are not within the generally accepted parameters of care.
12. because of war or any act of war, declared or not.

## TABLE OF DENTAL PROCEDURES

### **PLEASE READ THE FOLLOWING INFORMATION CAREFULLY FOR YOUR PROCEDURE FREQUENCIES AND PROVISIONS.**

The attached is a list of dental procedures for which benefits are payable under this section; and is based upon the Current Dental Terminology © American Dental Association. **No benefits are payable for a procedure that is not listed.**

- Ø Your benefits are based on a Calendar Year. A Calendar Year runs from January 1 through December 31.
- Ø Benefit Period means the period from January 1 of any year through December 31 of the same year. But during the first year a person is insured, a benefit period means the period from his or her effective date through December 31 of that year.
- Ø Covered Procedures are subject to all plan provisions, procedure and frequency limitations, and/or consultant review.
- Ø Reference to "traumatic injury" under this plan is defined as injury caused by external forces (ie. outside the mouth) and specifically excludes injury caused by internal forces such as bruxism (grinding of teeth).
- Ø Benefits for replacement dental prosthesis or prosthetic crown will be based on the prior placement date. Frequencies which reference Benefit Period will be measured forward within the limits defined as the Benefit Period. All other frequencies will be measured forward from the last covered date of service.
- Ø Radiographic images, periodontal charting and supporting diagnostic data may be requested for our review.
- Ø We recommend that a pre-treatment estimate be submitted for all anticipated work that is considered to be expensive by our insured.
- Ø A pre-treatment estimate is not a pre-authorization or guarantee of payment or eligibility; rather it is an indication of the estimated benefits available if the described procedures are performed.

## COORDINATION OF BENEFITS

The Coordination of Benefits (COB) provision applies when a person has dental coverage under more than one **Plan**. **Plan** is defined below.

The order of benefit determination rules govern the order in which each **Plan** will pay a claim for benefits. The **Plan** that pays first is called the **Primary plan**. The **Primary plan** must pay benefits according to its policy terms without regard to the possibility that another **Plan** may cover some expenses. The **Plan** that pays after the **Primary plan** is the **Secondary plan**. The **Secondary plan** may reduce the benefits it pays so that payments from all **Plans** do not exceed 100% of the total **Allowable expense**.

If you are covered by more than one health benefit **Plan**, and you do not know which is your **Primary plan**, you or your provider should contact any one of the health **Plans** to verify which **Plan** is primary. The health **Plan** you contact is responsible for working with the other **Plan** to determine which is primary and will let you know within thirty calendar days.

**CAUTION:** All health **Plans** have timely claim filing requirements. If you or your provider fail to submit your claim to a **Secondary Plan** within that **Plan's** claim filing time limit, the **Plan** can deny the claim. If you experience delays in the processing of your claim by the **Primary Plan**, you or your provider will need to submit your claim to the **Secondary Plan** within its claim filing time limit to prevent a denial of the claim.

To avoid delays in claims processing, if you are covered by more than one **Plan** you should promptly report to your providers and **Plans** any changes in your coverage

### DEFINITIONS

A. A **Plan** is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts. However, if COB rules do not apply to all contracts, or to all benefits in the same contract, the contract or benefit to which COB does not apply is treated as a separate plan.

(1) **Plan** includes: Group, individual or blanket disability insurance contracts, and group or individual contracts issued by health care service contractors or health maintenance organizations (HMO), closed panel plans or other forms of group coverage; medical care components of long-term care contracts, such as skilled nursing care; and Medicare or any other federal governmental plan, as permitted by law.

(2) **Plan** does not include: Hospital indemnity or fixed payment coverage or other fixed indemnity or fixed payment coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for nonmedical components of long-term care policies; automobile insurance policies required by statute to provide medical benefits; Medicare supplement policies; Medicaid coverage; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under (1) or (2) is a separate **Plan**. If a **Plan** has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate **Plan**.

B. **This plan** means, in a **COB** provision, the part of the contract providing the health care benefits to which the **COB** provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from this plan. A contract may apply one **COB** provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another **COB** provision to coordinate other benefits.

C. The order of benefit determination rules determine whether **this plan** is a **Primary plan** or **Secondary plan** when the person has health care coverage under more than one **Plan**.

When **this Plan** is primary, it determines payment for its benefits first before those of any other **Plan** without considering any other **Plan's** benefits. When **this Plan** is secondary, it determines its benefits after those of another **Plan** and must make payment in an amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal 100% of the **Total allowable expense** for that claim. This means that when this **Plan** is **Secondary**, it must pay the amount which, when combined with what the **Primary plan** paid, totals 100% of the highest **Allowable expense**. In addition, if this **Plan** is **Secondary**, it must calculate its savings (its amount paid subtracted from the amount it would have paid had it been the **Primary plan**) and record these savings as a benefit reserve for the covered person. This reserve must be used to pay any expenses during that calendar year, whether or not they are an **Allowable expense** under this **Plan**. If this **Plan** is **Secondary**, it will not be required to pay an amount in excess of its maximum benefit plus any accrued savings.

D. **Allowable expense** is a health care expense, including deductibles, coinsurance and co-payments, that is covered at least in part by any **Plan** covering the person. When a **Plan** provides benefits in the form of services, the reasonable cash value of each service will be considered an **Allowable expense** and a benefit paid. An expense that is not covered by any **Plan** covering the person is not an **Allowable expense**.

The following are examples of expenses that are not **Allowable expenses**:

(1) The difference between the cost of a semi-private hospital room and a private hospital room is not an **Allowable expense**, unless one of the **Plans** provides coverage for private hospital room expenses.

(2) If a person is covered by two or more **Plans** that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement method or other similar reimbursement method, any amount in excess of the highest reimbursement amount for a specific benefit is not an **Allowable expense**.

(3) If a person is covered by two or more **Plans** that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an **Allowable expense**.

E. **Closed panel plan** is a **Plan** that provides health care benefits to covered persons primarily in the form of services through a panel of providers who are employed by the **Plan**, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.

F. **Custodial parent** is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

## **ORDER OF BENEFIT DETERMINATION RULES**

When a person is covered by two or more **Plans**, the rules for determining the order of benefit payments are as follows:

A. The **Primary plan** pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other **Plan**.

B. (1) Except as provided in subsection (2), a **Plan** that does not contain a coordination of benefits provision that is consistent with this chapter is always primary unless the provisions of both **Plans** state that the complying plan is primary.

(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the **Plan**

provided by the contract holder. Examples include major medical coverages that are superimposed over hospital and surgical benefits, and insurance type coverages that are written in connection with a **Closed panel plan** to provide out-of-network benefits.

C. A **Plan** may consider the benefits paid or provided by another **Plan** in calculating payment of its benefits only when it is secondary to that other **Plan**.

D. Each **Plan** determines its order of benefits using the first of the following rules that apply:

(1) Nondependent or dependent. The **Plan** that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the **Primary plan** and the **Plan** that covers the person as a dependent is the **Secondary plan**. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the **Plan** covering the person as a dependent, and primary to the **Plan** covering the person as other than a dependent (e.g., a retired employee), then the order of benefits between the two **Plans** is reversed so that the **Plan** covering the person as an employee, member, policyholder, subscriber or retiree is the **Secondary plan** and the other **Plan** is the **Primary plan**.

(2) Dependent child covered under more than one plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one **Plan** the order of benefits is determined as follows:

(a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

- The **Plan** of the parent whose birthday falls earlier in the calendar year is the **Primary plan**; or
- If both parents have the same birthday, the **Plan** that has covered the parent the longest is the **Primary plan**.

(b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:

(i) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the **Plan** of that parent has actual knowledge of those terms, that **Plan** is primary. This rule applies to claim determination periods commencing after the **Plan** is given notice of the court decree;

(ii) If a court decree states one parent is to assume primary financial responsibility for the dependent child but does not mention responsibility for health care expenses, the plan of the parent assuming financial responsibility is primary;

(iii) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of subparagraph (a) above determine the order of benefits;

(iv) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of subsection (a) above determine the order of benefits; or

(v) If there is no court decree allocating responsibility for the dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- The **Plan** covering the **custodial parent**, first;
- The **Plan** covering the spouse of the **custodial parent**, second;
- The **Plan** covering the **noncustodial parent**, third; and then
- The **Plan** covering the spouse of the **Noncustodial parent**, last (c) For a dependent child covered under more than one **Plan** of individuals who are not the parents of the child, the provisions of subsection (a) or (b) above determine the order of benefits as if those individuals were the parents of the child.

(3) Active employee or retired or laid-off employee. The **Plan** that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the **Primary plan**. The **Plan** covering that same person as a retired or laid-off employee is the **Secondary plan**. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under section D (1) can determine the order of benefits.

(4) COBRA or state continuation coverage. If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another **Plan**, the **Plan** covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the **Primary plan** and the COBRA or state or other federal continuation coverage is the **Secondary plan**. If the other **Plan** does not have this rule, and as a result, the **Plans** do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule under section D (1) can determine the order of benefits.

(5) Longer or Shorter Length of Coverage. The **Plan** that covered the person as an employee, member, policyholder, subscriber or retiree longer is the **Primary plan** and the **Plan** that covered the person the shorter period of time is the **Secondary plan**.

(6) If the preceding rules do not determine the order of benefits, the **Allowable expenses** must be shared equally between the **Plans** meeting the definition of **Plan**. In addition, **this plan** will not pay more than it would have paid had it been the **Primary plan**.

## **EFFECT ON THE BENEFITS OF THIS PLAN**

When this **Plan** is secondary, it may reduce its benefits so that the total benefits paid or provided by all **Plans** during a claim determination period are not more than the total **Allowable expenses**. In determining the amount to be paid for any claim, the **Secondary plan** must make payment in an amount so that, when combined with the amount paid by the primary plan, the total benefits paid or provided by all plans for the claim equal one hundred percent of the total **Allowable expense** for that claim **Total allowable expense** is the highest **Allowable expense** of the **Primary plan** or the **Secondary plan**. In addition, the **Secondary plan** must credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

If a **Primary plan** has not adjudicated a claim within sixty calendar days of receipt of the claim and all supporting documentation, and if the **Primary plan** is not waiting for information from the provider or from the enrollee needed to adjudicate the claim, the provider or enrollee may submit the claim and notice of the **Primary plan's** failure to pay to the **Secondary plan** which shall pay the provider's claim as primary within thirty calendar days.

If this **plan** is required by the time limit above to make payment as the **Primary plan**, this **Plan** may exercise its rights under its "right of recovery" provision for recovery of any excess payments.

## **RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION**

Certain facts about health care coverage and services are needed to apply these **COB** rules and to determine benefits payable under **this plan** and other **Plans**. The Company may get the facts it needs from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under **this plan** and other **Plans** covering the person claiming benefits. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under **This plan** must give the Company any facts it needs to apply those rules and determine benefits payable.

## **FACILITY OF PAYMENT**

If payments that should have been made under **this Plan** are made by another **Plan**, the issuer has the right, at its discretion, to remit to the other **plan** the amount it determines appropriate to satisfy the intent of this provision. The amounts paid to the other **Plan** are considered benefits paid under **this Plan**. To the extent of such payments, the issuer is fully discharged from liability under **this Plan**.

## **RIGHT OF RECOVERY**

The issuer has the right to recover excess payment whenever it has paid allowable expenses in excess of the maximum amount of payment necessary to satisfy the intent of this provision. The issuer may recover excess payment from any person to whom or for whom payment was made or any other issuers or plans.

## GENERAL PROVISIONS

**NOTICE OF CLAIM.** Written notice of a claim must be given to us within 30 days after the incurred date of the services provided for which benefits are payable.

Notice must be given to us at our Home Office, or to one of our agents. Notice should include the Policyholder's name, Insured's name, and policy number. If it was not reasonably possible to give written notice within the 30 day period stated above, we will not reduce or deny a claim for this reason if notice is filed as soon as is reasonably possible.

**CLAIM FORMS.** When we receive the notice of a claim, we will send the claimant forms for filing proof of loss. If these forms are not furnished within 15 days after the giving of such notice, the claimant will meet our proof of loss requirements by giving us a written statement of the nature and extent of loss within the time limit for filing proofs of loss.

**PROOF OF LOSS.** Written proof of loss must be given to us within 90 days after the incurred date of the services provided for which benefits are payable. If it is impossible to give written proof within the 90 day period, we will not reduce or deny a claim for this reason if the proof is filed as soon as is reasonably possible.

**TIME OF PAYMENT.** We will pay all benefits immediately when we receive due proof. Any balance remaining unpaid at the end of any period for which we are liable will be paid at that time.

**PAYMENT OF BENEFITS.** All benefits will be paid to the Insured unless otherwise agreed upon through your authorization or provider contracts.

**FACILITY OF PAYMENT.** If an Insured or beneficiary is not capable of giving us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then we may, at our option, pay the benefit up to an amount not to exceed \$5,000, to any relative by blood or connection by marriage of the Insured who is considered by us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release us from liability to the extent of payment.

**PROVIDER-PATIENT RELATIONSHIP.** The Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of their license. We will in no way disturb the provider-patient relationship.

**LEGAL PROCEEDINGS.** No legal action can be brought against us until 60 days after the Insured sends us the required proof of loss. No legal action against us can start more than five years after proof of loss is required.

**INCONTESTABILITY.** Any statement made by the Policyholder to obtain the Policy is a representation and not a warranty. No misrepresentation by the Policyholder will be used to deny a claim or to deny the validity of the Policy unless:

1. The Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder a copy of a written instrument signed by the Policyholder that contains the misrepresentation.

The validity of the Policy will not be contested after it has been in force for one year, except for nonpayment of premiums or fraudulent misrepresentations.

**WORKER'S COMPENSATION.** The coverage provided under the Policy is not a substitute for coverage under a workmen's compensation or state disability income benefit law and does not relieve the Policyholder of any obligation to provide such coverage.

### **F. Claims For Benefits**

Claims procedures are furnished automatically, without charge, as a separate document.

### **G. Continuation of Coverage Provisions (COBRA)**

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) gives Qualified Beneficiaries the right to elect COBRA continuation after insurance ends because of a Qualifying Event. The law generally covers group health plans maintained by employers with 20 or more employees in the prior year. The law does not, however, apply to plans sponsored by the Federal government and certain church-related organizations.

#### **i. Definitions For This Section**

Qualified Beneficiary means an Insured Person who is covered by the plan on the day before a qualifying event. Any child born to or placed for adoption with a covered employee during the period of COBRA coverage is considered a qualified beneficiary.

A Qualifying Event occurs when:

1. The Member dies (hereinafter referred to as Qualifying Event 1);
2. The Member's employment terminates for reasons other than gross misconduct as determined by the Employer (hereinafter referred to as Qualifying Event 2);
3. The Member's work hours fall below the minimum number required to be a

Member (hereinafter referred to as Qualifying Event 3);

4. The Member becomes divorced or legally separated from a Spouse (hereinafter referred to as Qualifying Event 4);
5. The Member becomes entitled to receive Medicare benefits under Title XVII of the Social Security Act (hereinafter referred to as Qualifying Event 5);
6. The Child of a Member ceases to be a Dependent (hereinafter referred to as Qualifying Event 6);
7. The Employer files a petition for reorganization under Title 11 of the U.S. Bankruptcy Code, provided the Member is retired from the Employer and is insured on the date the petition is filed (hereinafter referred to as Qualifying Event 7).

**ii. Electing COBRA Continuation**

- A. Each Qualified Beneficiary has the right to elect to continue coverage that was in effect on the day before the Qualifying Event. The Qualified Beneficiary must apply in writing within 60 days of the later of:
  1. The date on which Insurance would otherwise end; and
  2. The date on which the Employer or Plan Administrator gave the Qualified Beneficiary notice of the right to COBRA continuation.
- B. A Qualified Beneficiary who does not elect COBRA Continuation coverage during their original election period may be entitled to a second election period if the following requirements are satisfied:
  1. The Member's Insurance ended because of a trade related termination of their employment, which resulted in being certified eligible for trade adjustment assistance;
  2. The Member is certified eligible for trade adjustment assistance (as determined by the appropriate governmental agency) within 6 months of the date Insurance ended due to the trade related termination of their employment; and
  3. The Qualified Beneficiary must apply in writing within 60 days after the first day of the month in which they are certified eligible for trade adjustment assistance.

**iii. Notice Requirements**

1. When the Member becomes insured, the Plan Administrator must inform the Member and Spouse in writing of the right to COBRA continuation.
2. The Qualified Beneficiary must notify the Plan Administrator in writing of Qualifying Event 4 or 6 above within 60 days of the later of:
  - a. The date of the Qualifying Event; or
  - b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.
3. A Qualified Beneficiary, who is entitled to COBRA continuation due to the

occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, must notify the Plan Administrator of the disability in writing within 60 days of the later of:

- a. The date of the disability determination;
  - b. The date of the Qualifying Event; or
  - c. The date on which the Qualified Beneficiary loses coverage due to the Qualifying Event.
4. Each Qualified Beneficiary who has become entitled to COBRA continuation with a maximum duration of 18 or 29 months must notify the Plan Administrator of the occurrence of a second Qualifying Event within 60 days of the later of:
- a. The date of the Qualifying Event; or
  - b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.
5. The Employer must give the Plan Administrator written notice within 30 days of the occurrence of Qualifying Event 1, 2, 3, 5, or 7.
6. Within 14 days of receipt of the Employer's notice, the Plan Administrator must notify each Qualified Beneficiary in writing of the right to elect COBRA continuation.

In order to protect your rights, Members and Qualified Beneficiaries should inform the Plan Administrator in writing of any change of address.

#### **iv. COBRA Continuation Period**

1. 18-month COBRA Continuation

Each Qualified Beneficiary may continue Insurance for up to 18 months after the date of Qualifying Event 2 or 3.

2. 29-month COBRA Continuation

Each Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, may continue coverage for up to 29 months after the date of the Qualifying Event. All Insured Persons in the Qualified Beneficiary's family may also continue coverage for up to 29 months.

3. 36-Month COBRA Continuation

If you are a Dependent, you may continue Coverage for up to 36 months after the date of Qualifying Event 1, 4, 5, or 6. Each Qualified Beneficiary who is entitled to continue Insurance for 18 or 29 months may be eligible to continue coverage for up to 36 months after the date of their original Qualifying Event if a second Qualifying

Event occurs while they are on continuation coverage.

Note: The total period of COBRA continuation available in 1 through 3 will not exceed 36 months.

4. COBRA Continuation For Certain Bankruptcy Proceedings

If the Qualifying Event is 7, the COBRA continuation period for a retiree or retiree's Spouse is the lifetime of the retiree. Upon the retiree's death, the COBRA continuation period for the surviving Dependents is 36 months from the date of the retiree's death.

**v. Premium Requirements**

Insurance continued under this provision will be retroactive to the date insurance would have ended because of a Qualifying Event. The Qualified Beneficiary must pay the initial required premium not later than 45 days after electing COBRA continuation, and monthly premium on or before the Premium Due Date thereafter. The monthly premium is a percentage of the total premium (both the portion paid by the employee and any portion paid by the employer) currently in effect on each Premium Due Date. The premium rate may change after you cease to be Actively at Work. The percentage is as follows:

18 month continuation - 102%

29 month continuation - 102% during the first 18 months, 150% during the next 11 months

36 month continuation - 102%

**vi. When COBRA Continuation Ends**

COBRA continuation ends on the earliest of:

1. The date the Group Policy terminates;
2. 31 days after the date the last period ends for which a required premium payment was made;
3. The last day of the COBRA continuation period.
4. The date the Qualified Beneficiary first becomes entitled to Medicare coverage under Title XVII of the Social Security Act;
5. The first date on which the Qualified Beneficiary is: (a) covered under another group Dental policy and (b) not subject to any preexisting condition limitation in that policy.

**H. Your Rights under ERISA**

As a participant in this Plan, you are entitled to certain rights and protections under the Employment Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

**Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

### **Continue Group Health Plan Coverage**

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to operate and administer this plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **Assistance with Your Rights**

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under

ERISA by calling those publications hotline of the Employee Benefits Security Administration.

EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)**

The following provides information regarding the claims review process and your rights to request a review of any part of a claim that is denied. Please note that certain state laws may also require specified claims payment procedures as well as internal appeal procedures and/or independent external review processes. Therefore, in addition to the review procedures defined below, you may also have additional rights provided to you under state law. If your state has specific grievance procedures, an additional notice specific to your state will also be included within the group policy and your certificate.

**CLAIMS FOR BENEFITS**

Claims may be submitted by mailing the completed claim form along with any requested information to:  
Standard Insurance Company  
PO Box 82622  
Lincoln, NE 68501-2622

**NOTICE OF DECISION OF CLAIM**

We will evaluate your claim promptly after we receive it.

**Dental Utilization Review Program.** Generally, utilization review means a set of criteria designed to monitor the use of, or evaluate the medical necessity, appropriateness, or efficiency of health care services. We have established a utilization review program to ensure that any guidelines and criteria used to evaluate the medical necessity of a health care service are clearly documented and include procedures for applying such criteria based on the needs of the individual patients. The program was developed in conjunction with licensed dentists and is reviewed at least annually to ensure that criteria are applied consistently and are current with dental technology, evidence-based research and any dental trends.

We will provide you written notice regarding the payment under the claim within 30 calendar days following receipt of the claim. This period may be extended for an additional 15 days, provided that we have determined that an extension is necessary due to matters beyond our control, and notify you, prior to the expiration of the initial 30-day period, of the circumstances requiring the extension of time and the date by which we expect to render a decision. If the extension is due to your failure to provide information necessary to decide the claim, the notice of extension shall specifically describe the required information we need to decide the claim.

If we request additional information, you will have 45 days to provide the information. If you do not provide the requested information within 45 days, we may decide your claim based on the information we have received.

If we deny any part of your claim, you will receive a written notice of denial containing:

- a. The reasons for our decision.

- f. Information concerning your right to a review of our decision.
- g. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA following an adverse benefit determination on review.

## **APPEAL PROCEDURE**

If all or part of a claim is denied, you may request a review in writing within 180 days after receiving notice of the benefit denial.

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your appeal. There will be no charge for such copies. You may request the names of the experts we consulted who provided advice to us about your claim.

The appeal review will be conducted by the Plan's named fiduciary and will be someone other than the person who denied the initial claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based in whole or in part on a medical judgment, including determinations with regard to whether a service was considered experimental, investigational, and/or not medically necessary, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your claim promptly after we receive your request.

If your appeal is about urgent care, you may call Toll Free at 877-897-4328, and an Expedited Review will be conducted. Verbal notification of our decision will be made within 72 hours, followed by written notice within 3 calendar days after that.

If your appeal is about benefit decisions related to clinical or medical necessity, a Standard Consultant Review will be conducted. A written decision will be provided within 30 calendar days of the receipt of the request for appeal.

If your appeal is about benefit decisions related to coverage, a Standard Administrative Review will be conducted. A written decision will be provided within 60 calendar days of the receipt of the request for appeal.

If we deny any part of your claim on review, you will receive a written notice of denial containing:

- a. The reasons for our decision.
- b. Reference to the parts of the Group Policy on which our decision is based.
- c. Reference to any internal rule or guideline relied upon in making our decision along with your right to receive a copy of these guidelines, free of charge, upon request.
- d. Information concerning your right to receive, free of charge, copies of non-privileged documents and records relevant to your claim.
- e. A statement that you may request an explanation of the scientific or clinical judgment we relied upon to exclude expenses that are experimental or investigational, or are not necessary or accepted according to generally accepted standards of Dental practice.
- f. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA.

Certain state laws also require specified internal appeal procedures and/or external review processes. In addition to the review procedures defined above, you may also have additional rights provided to you under state law. Please review your certificate for such information, call us, or contact your state insurance regulatory agency for assistance. In any event, you need not exhaust such state law procedures prior to bringing civil action under Section 502(a) of ERISA.

Any request for appeal should be directed to:

Quality Control, P.O. Box 82657, Lincoln, NE 68501-2657.

## ***Your Rights Regarding Your Health Information***

The following describes your rights regarding the health information we maintain about you. To exercise your rights, you must submit your request in writing to Standard Insurance Company, Attn: Quality Assurance Specialist, PO Box 82629, Lincoln, NE 68501-2629.

**Right to Inspect and Copy.** You have the right to inspect and copy health information that we maintain about you. To inspect or copy your health information, you must submit your request in writing. If you request a copy of the information, we may charge a fee for the costs of copying, mailing or other supplies associated with your request. We may deny your request to inspect and copy in certain very limited circumstances. If you are denied access to health information, you may request that the denial be reviewed. Please contact our Privacy Contact at the address or telephone number listed on the last page of this document if you have questions about access to your health information.

**Right to Amend.** If you feel that the health information we have about you is incorrect or incomplete, you may ask us in writing to amend the information. You have the right to request an amendment for as long as we maintain the information.

In addition, you must provide a reason that supports your request. Any agreed-upon correction to your health information will be included as an addition to, and not a replacement of, already existing records.

We may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, we may deny your request if you ask us to amend information that (1) is not part of the health information kept by us, (2) was not created by us, unless the person or entity that created the information is no longer available to make the amendment, (3) is not part of the information which you would be permitted to inspect and copy or (4) is accurate and complete.

**Right to an Accounting of Disclosures.** You have the right to request an accounting of disclosures of your health information made by us in the six years prior to the date that the accounting is requested (or shorter period as requested). This does not include disclosures (1) to carry out treatment, payment, or health care operations; (2) made to you or pursuant to your authorization; (3) for national security or intelligence purposes; (4) to corrections institutions or law enforcement officials or (5) made prior to April 14, 2003.

Your first request for an accounting in any 12-month period shall be provided without charge. A reasonable fee shall be imposed for each subsequent request for an accounting within the same 12-month period.

**Right to Request Restrictions.** You have the right to request a restriction or limitation of the health information we use or disclose about you for treatment, payment or health care operations. We are not required to agree to your request unless your request is to restrict disclosure to a health plan for purposes of payment or health care operations when you or someone on your behalf (but not the health plan) has already made full payment.

To request restrictions, you must make your request in writing to our Privacy Contact indicated below. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure or both and (3) to whom you want the limits to apply.

**Right to Request Confidential Communications.** You have the right to request that we communicate with you about health matters in a certain way or at a certain location. For example, you can ask that we only contact you at work or by mail. We will accommodate reasonable requests. We will not ask you the reason for your request. Please make this request in writing to our Privacy Contact indicated below.

**Right to Breach Notification.** We are required by law to maintain the privacy of your health information and to provide you with notice of our legal duties and privacy practices with respect to your health information. We are also required by law to notify affected individuals following a breach of unsecured health information.
