## Dental Network Information

---

Employees and dependents have access to an extensive nationwide network of member dentists. The cost-saving benefits of visiting a network member dentist are automatically available to all employees and dependents who are covered by any of The Standard's dental plans and who live in areas where the nationwide network is available. To find member dentists in your area, visit: <http://www.standard.com/dental> and click on "Find a Dentist." California Residents: When prompted to select your network, choose the network found on your ID Card.

## Pretreatment

---

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

## Late Entrant Provision

---

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

## Domestic Partner

---

Domestic partner language is available upon request.
